Thank you, God  
For this great opportunity  
To share with you exactly how I feel I'm not well  
And I think that I should tell you  
That I think I got the raw end of the deal Don't get me wrong  
'Cause it's not like I blame you  
'Cause sometimes things get crazy on their own I'm ashamed  
Of the way I point my finger  
'Cause deep down I have reaped what I have sown Life is hard  
But so is everything  
Give my regards to a man who cares  
If I succeed  
I will save my fellow man  
And if I fail I'll just stand and stare Such is life, Lord  
And I know that you're aware  
That you're a drug to me  
A drug within my fear But, I love you  
A junkie to your silence  
A wise man whose words, I'll never hear What to do  
I feel as if I'm floating  
Not aware or in control of what I am God bless me  
Take me out of this existence  
End my role as the sacrificial lamb  
Life is hard  
But so is everything  
Give my regards to a man who cares If I succeed  
I will save my fellow man  
And if I fail I'll just stand and stare I'll just stand and stare Life is hard  
But so is everything  
Give my regards to a man who cares If I succeed  
I will save my fellow man  
And if I fail I'll just stand and stare Life is hard  
But so is everything  
Give my regards to a man who cares If I succeed  
I will save my fellow man  
And if I fail I'll just stand and...Stare...I'll just stand and stare...
