

On

Bloc Party

I am on
Switched on
A sudden clearness
And clarityHidden away
In every locked toilet
I've been waiting for you
In the Joiners' armsI know your name
I know your name
I've danced with you
We're all friends here
Silver slugs
Lined up like bullets
Rolled up twenties
They disappearYou make my tongue loose
You make my tongue loose
I am hopeful and stutter-free
You make my tongue loose
You make my tongue loose
I am home freeOn Friday night
I do all the talking
A pint and a fight
The dance floor is mine
Truth serum
And limbs that won't listen
Drunken "I Love You's"
On top of the world
And when it runs out
We're chasing something we'll never catch
And when it runs out
We buy moreA flatness so bleak
I've been bitten by a vampire
A flatness bleaker of the one it replacedYou make my tongue loose
You make my tongue loose
I am hopeful and stutter-free
You make my tongue loose
You make my tongue loose
I am home freeI can charm
I can charm them all
I can charm
Them allI can charm
I can charm them all
I can charm

Them all You make my tongue loose
You make my tongue loose
I am hopeful and stutter-free
You make my tongue loose
You make my tongue loose
I am home free I can charm
I can charm them all
I can charm
Them all I can charm
I can charm them all
I can charm
Them all
