Feel my heart Feel my dream On my own Woosung - Feel My Heart English Translation  
In this frozen time  
Can't figure out where this road ends  
I can't see myself  
I can't hear your voice  
I don't know where this darkness ends I can feel my heart Feel my dream  
Past the darkness  
Feel my heart Feel my dream  
Come to me  
The earnest days awaken again  
I've hidden it, run up, but I can't stop now  
Feel my heart Feel my dream  
On my own I can feel my heart Feel my dream  
Past the darkness  
Feel my heart Feel my dream  
Come to me  
The earnest days awaken again  
I've hidden it, run up, but I can't stop now  
Feel my heart Feel my dream  
On my own I can feel my heart Feel my dream  
Past the darkness  
Feel my heart Feel my dream  
Come to me  
The earnest days awaken again  
I've hidden it, run up, but I can't stop now  
Feel my heart Feel my dream  
On my own
