

# don't be sad

Tate McRae

D—d—don't be sad I'm sorry, I can't seem to do anything right  
To be honest might delete this song tonight  
Did you even notice I was here?  
If I left the party would you even care? So I guess that I was never what you wanted  
Wasted all my money throwing pennies in a fountain  
It's not easy tryna tell you how I feel  
When all you ever say is "Don't be sad"  
"The sun is shining"  
"Just be happy"  
"Why you whining?"  
Waiting room is getting crowded  
"You're not special you're not special"  
"Don't be sad"  
"The sun is shining"  
"Just be happy"  
"Why you whining?"  
Waiting room is getting crowded  
"You're not special you're not special" "You're not special you're not special"  
"You're not special you're not special" I'm sorry, sorry that you just don't understand  
You always tell me that it's only in my head  
Then why's the Internet feel like my only friend  
The only one that knows that this isn't pretend Everyone's in therapy  
Wouldn't go if you were there for me  
Never should've told you how I felt  
Cause all you ever say is  
"Don't be sad"  
"The sun is shining"  
"Just be happy"  
"Why you whining?"  
Waiting room is getting crowded  
"You're not special you're not special" "Don't be sad"  
"The sun is shining"  
"Just be happy"  
"Why you whining?"  
Waiting room is getting crowded  
"You're not special you're not special" "You're not special you're not special"  
"You're not special you're not special"
