## Go Hard Or Go Home

## Wiz Khalifa & Iggy Azalea

I feel like the sky is falling down
Ain't nobody here to play around
Push it to the edge, I won't back down
Cause it's time to go hard or go home
One way up, no way out
I give it all, all for the family
We stay up, no bail outs

Give it all, all for the family, family, fam, fam, fam, familyFive, four, three, two, I got one shot

you lose the love and respect thats were the trust stop

New work, top drop

I roll up every fifteen minutes like a bus stop And you can smell just how I'm smokin' when I burn out

And you can catch me ridin' dirty, but my car not

It's love and loyalty until my heart lock

Never turn your back, won't know how it turned out

I said it once, I'll do it again

I'm playin' the game, I do it to win

With you and your friend, that's thick and thin

That's me and my team, you know we gon' win

You know we gon' ball, you know we gon' ride 'til the wheels fall offYou know we gon' stick to

the course, we ain't thinkin' 'bout y'all

I feel like the sky is falling down

Ain't nobody here to play around

Push it to the edge, I won't back down

Cause it's time to go hard or go home

One way up, no way out

I give it all, all for the familyWe stay up, no bail outs

Give it all, all for the familyFor the family

All for the family, family, family, fam fam, family

M-O-N-E-Y, what I go hard for

Swingin' on the green like I'm tryna get a par four

You ain't sittin' at my table, hope you starve

Ho, don't be pushin' my buttons 'less you startin' up my car

Pressure make a diamond, that pressure make me a star

Got a method to my madness, to bring me down by the bar

People always askin' me how I got this far

My response is just to keep it honest and be who you are

Now they call me Mrs. Money like I'm married to the mula

Just to measure my success I need at least a hundred rulersGlory, hallelujah, I'mma take that ass to church

I'mma finish like I started, Iggy still got that work

I feel like the sky is falling down Ain't nobody here to play aroundPush it to the edge, I won't back down Cause it's time to go hard or go home

One way up, no way out
I give it all, all for the familyWe stay up, no bail outs
Give it all, all for the family
For the family

All for the family, family, family, fam fam, familyPUM PUM PAPA

I feel like the sky is falling down

Ain't nobody here to play around

Push it to the edge, I won't back down

Cause it's time to go hard or go home

One way up, no way out
I give it all, all for the family
We stay up, no bail outs
Give it all, all for the family
For the family

All for the family, family, family, fam fam, family
