Two Is Better Than One (feat. Taylor Swift)

Boys Like Girls

I remember what you wore on the first day

You came into my life and I thought, hey

You know this could be something'Cause everything you do and words you say

You know that it all takes my breath away

And now I'm left with nothingSo maybe it's true

That I can't live without you

And maybe two is better than one

But there's so much time

To figure out the rest of my life

And you've already got me coming undone

And I'm thinking two is better than one

I remember every look upon your faceThe way you roll your eyes, the way you say

You make it hard for breathing

'Cause when I close my eyes and drift awayI think of you and everything's okay

I'm finally now believing

That maybe it's true

That I can't live without you

And maybe two is better than oneBut there's so much time

To figure out the rest of my life

And you've already got me coming undone

And I'm thinking two is better than one

I remember what you wore on the first day

You came into my life and I thought, hey

Maybe it's true

That I can't live without you

And maybe two is better than one

There's so much time

To figure out the rest of my life

And you've already got me coming undone

And I'm thinking, ooh

I can't live without you

'Cause baby, two

Is better than one

There's so much time

To figure out the rest of my life

But I figured out with all that's said and done

Two is better than one

Two is better than one
