

The Enemy (feat. Sinéad)

[Mat Zo](#)

Look at the sky
And I think we're nowhere through
All I see is beauty
So why, why can't you? Because you live your life of judgement
Stereotypical mankind
Oh if I were god, I'd think this world just losing it line This love can be the enemy
My soul's in two
Trying to make you feel
And I'll give it all for you
I can't help but wonder
What is true
