## Nine In the Afternoon (Radio Mix)

## Panic! At the Disco

Back to the street where we began Feeling as good as lovers can, you know Yeah, we're feeling so good Pickin' up things we shouldn't read Looks like the end of history as we know It's just the end of the world Back to the street where we began Feeling as good as love, you could, you can Into a place, where thoughts can bloom Into a room where it's nine in the afternoon And we know that it could be And we know that it should And you know that you feel it too Cause it's nine in the afternoon And your eyes are the size of the moon You could cause you can so you do We're feeling so good Just the way that we do When it's nine in the afternoon Your eyes are the size of the moon You could cause you can so you doWe're feeling so good Back to the street

Back to the street
Down to our feet
Losing the feeling of feeling unique
Do you know what I mean?
Back to the place
Where we used to say,
"Man it feels good to feel this way"
Now I know what I mean

Back to the street
Back to the place

Back to the room where it all began, hey Back to the room where it all beganCause it's nine in the afternoon

Your eyes are the size of the moon You could cause you can so you do We're feeling so good

Just the way that we do When it's nine in the afternoon

Your eyes are the size of the moon
You could cause you can so you doWe're feeling so good
Just the way that we do
When it's nine in the afternoon

Your eyes are the size of the moon
You could cause you can so you do
We're feeling so good
Just the way that we do
When it's nine in the afternoon
