Last Hope

Paramore

I don't even know myself at all
I thought I would be happy by now
The more I try to push it I realize
Gotta let go of controlGotta let it happen
Gotta let it happen

Cotto let it happen

Gotta let it happen

So let it happenIt's just a spark

But it's enough

To keep me goingAnd when it's dark out

No one's around

It keeps glowing

Every night I try my best to dream

Tomorrow makes it better

And I wake up to the cold reality

Not a thing has changedBut it will happen

Gotta let it happen

Gotta let it happen

Gotta let it happenIt's just a spark

But it's enough

To keep me goingAnd when it's dark out

No one's around

It keeps glowing (ah)It's just a spark

But it's enough

To keep me going

And when it's dark out

No one's around

It keeps glowingAnd the salt in my wounds

Isn't burning anymore than it used to

It's not that I don't feel the pain

It's just I'm not afraid of hurting anymoreAnd the blood in these veins

Isn't pumping any less than it ever has

And that's the hope I have

The only thing I know is keeping me alive

AliveGotta let it happen

Gotta let it happen

Gotta let it happen

Gotta let it happenGotta let it happen

Gotta let it happen

Gotta let it happen

Gotta let it happenIt's just a spark

But it's enough

To keep me going

(So if I let go of control) (Now, I can be strong)And when it's dark out

No one's around

It keeps glowing (ah)

It's just a spark

But it's enough

To keep me going

(So if I keep my eyes close)

(With the blind hope)

And when it's dark out

No one's around

It keeps glowing

Ah-ah-ah-ah

Ah-ah-ah, ah-ah

Ah-ah, ah-ah-ah

Ah-ah, ah-ah

Mm-mm-mm, ah-ah.

Mm-mm, mm-mm-mm

Mm-mm
