

# Wake Me Up (feat. Fleurie)

Tomme Profitt

Feeling my way through the darkness  
Guided by a beating heart  
I can't tell where the journey will end But I know where to start  
They tell me I'm too young to understand  
They say I'm caught up in a dream  
Well, life will pass me by  
If I don't open up my eyes  
Well, that's fine by me So wake me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself  
And I didn't know I was lost  
I tried carrying the weight of the world  
But I only have two hands  
Hope I get the chance to travel the world  
But I don't have any plans  
Wish that I could stay forever this young  
Not afraid to close my eyes  
Life's a game made for everyone  
And love is the prize So wake me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself  
And I didn't know I was lost So wake me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself  
And I didn't know I was lost  
I didn't know I was lost  
So wake me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself  
And I didn't know I was lost  
I didn't know I was lost  
I didn't know I was lost
