

Wake Me Up (feat. Fleurie)

Tomme Profitt

Feeling my way through the darkness
Guided by a beating heart
I can't tell where the journey will end But I know where to start
They tell me I'm too young to understand
They say I'm caught up in a dream
Well, life will pass me by
If I don't open up my eyes
Well, that's fine by me So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself
And I didn't know I was lost
I tried carrying the weight of the world
But I only have two hands
Hope I get the chance to travel the world
But I don't have any plans
Wish that I could stay forever this young
Not afraid to close my eyes
Life's a game made for everyone
And love is the prize So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself
And I didn't know I was lost So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself
And I didn't know I was lost
I didn't know I was lost
So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself
And I didn't know I was lost
I didn't know I was lost
I didn't know I was lost
