

# Dream a Little Dream of Me

## Louis Armstrong & Ella Fitzgerald

Stars shining bright above you  
Night breezes seem to whisper "I love you"  
Birds singing in the sycamore tree  
Dream a little dream of me Say "Nighty-night" and kiss me  
Just hold me tight and tell me you'll miss me  
While I'm alone and blue as can be  
Dream a little dream of me Stars fading but I linger on dear Oh how you linger on Still craving  
your kiss How you crave my kiss  
Now I'm longin' to linger till dawn dear  
Just saying this Give me a little kiss Sweet dreams till sunbeams find you  
Sweet dreams that leave all worries behind you  
But in your dreams, whatever they be  
Dream a little dream of me Stars fading but I linger on dear  
Still craving your kiss  
Yeah, I'm longing to linger till dawn dear  
Just saying this, yes Sweet dreams Dreamin' Till sunbeams find you  
Keep dreaming Gotta keep dreamin' Leave your worries far behind you  
But in your dreams, whatever they be You gotta make me a promise  
Promise to me you'll dream  
Dream a little dream of me
