Dream a Little Dream of Me

Louis Armstrong & Ella Fitzgerald

Stars shining bright above you Night breezes seem to whisper "I love you" Birds singing in the sycamore tree Dream a little dream of meSay "Nighty-night" and kiss me Just hold me tight and tell me you'll miss me While I'm alone and blue as can be Dream a little dream of meStars fading but I linger on dearOh how you linger onStill craving your kissHow you crave my kiss Now I'm longin' to linger till dawn dear Just saying thisGive me a little kissSweet dreams till sunbeams find you Sweet dreams that leave all worries behind you But in your dreams, whatever they be Dream a little dream of meStars fading but I linger on dear Still craving your kiss Yeah, I'm longing to linger till dawn dear Just saying this, yesSweet dreamsDreamin'Till sunbeams find you Keep dreamingGotta keep dreamin'Leave your worries far behind you But in your dreams, whatever they beYou gotta make me a promise Promise to me you'll dream Dream a little dream of me
