Writing's On the Wall

Sam Smith

I've been here before
But always hit the floor
I've spent a lifetime running
And I always get away
But with you I'm feeling something
That makes me want to stayI'm prepared for this
I never shoot to miss
But I feel like a storm is coming
If I'm gonna make it through the day
Then there's no more use in running
This is something I gotta face
If I risk it all

Could you break my fall?How do I live? How do I breathe?

When you're not here I'm suffocating I want to feel love, run through my blood Tell me is this where I give it all up?

For you I have to risk it all

Cause the writing's on the wallA million shards of glass

That haunt me from my past As the stars begin to gather And the light begins to fade

When all hope begins to shatter

Know that I won't be afraidIf I risk it all

Could you break my fall?

How do I live? How do I breathe?

When you're not here I'm suffocating

I want to feel love, run through my blood

Tell me is this where I give it all up?

For you I have to risk it all

Cause the writing's on the wallThe writing's on the wallHow do I live? How do I breathe?

When you're not here I'm suffocating

I want to feel love, run through my blood

Tell me is this where I give it all up?

How do I live? How do I breathe?

When you're not here I'm suffocating

I want to feel love, run through my blood

Tell me is this where I give it all up?

For you I have to risk it all

Cause the writing's on the wall
