## Thundercat

3 o'clock, just can't close my eyes  
Something's wrong with me  
No, I can't deal, I can't go to sleep  
There's something in my heart  
The streets keep calling me  
3 o'clock, just can't close my eyes  
Something's wrong with me  
No, I can't deal, I can't go to sleep  
There's something in my heart  
The streets keep calling me
