Got to Give It Up

[Marvin Gaye](#)

I used to go out to parties
And stand around
'Cause I was too nervous
To really get downBut my body
Yearned to be free
I got up on the floor and thought
Somebody could choose meNo more standin'
There beside the walls
Finally got myself together, baby
And I'm havin' a ballAs long as you're groovin'
There's always a chance
Somebody watchin'
Might wanna make romance
Move your body
Ooh baby, you dance all night
To the groove and
Feel alrightEverybody's groovin'
On like a fool
But if you see me
Spread out and let me inBaby, just party
High and low
Let me step into
Your erotic zoneMove it up
Turn it 'round
Ooh, shake it down
You can love me when you want to, babe
This is such a groovy party, baby
We're here face to face
Everybody's swingin'
This is such a groovy placeAll the young ladies are so fineYou're movin' your body
Easy with no doubts
I know what you thinkin', baby
You wanna turn me outI think I'm gonna let you do it, babeKeep on dancin'
You got to get it
Got to give it up
(repeat until end)
