

Guardians of Asgaard

Amon Amarth

Standing firm against all odds
Guarding the most sacred home
We protect the realm of gods
Our destiny is carved in stone
Three evil giants
Of the south
Are constantly on the attack
With lies and fire
From their mouths
But we always send them back
We are brothers
Of the north
Who are sharing the all father's blood
Marching down the left hand path
We are spawned by Asa-gods
'Cause we are!
We're the guardians
Guardians of Asgaard
Guardians
Guardians of Asgaard
Guardians
Of Asgaard
We have faced our
Enemies
A thousand times or even more
Still they cannot
Make us kneel
One thousand years of constant war
The giants look for
Any chance
To bring down Asgaard's mighty walls
No matter what they send at us
We will never let it fall
'Cause we are
We're the guardians
Guardians of Asgaard
Guardians
Guardians of Asgaard
Guardians
Of Asgaard
Standing firm
Against all odds
We are guarding
Asgaard's mighty walls
We protect
The realm of Asa-gods
No matter
What they send at us
We will never let them fall
We're the guardians
Guardians of Asgaard

Guardians
Guardians of Asgaard
Guardians
Guardians of Asgaard
Guardians
Of Asgaard
