The Good Life

Tony Bennett & Billy Joel

Oh, the good life Full of fun, seems to be the ideal Mmm, the good life Lets you hide all the sadness you feel You won't really fall in love For you can't take the chance So please, be honest With yourself Don't try to fake romance... It's the good life To be free, and explore the unknown Like the heartaches When you learn you must face them alone Please remember I still want you And in case, you wonder why... Well, just wake up Kiss the good life goodbye...
