

I Was Born to Love You

Queen & Adam Lambert

I was born to love you
with every single beat of my heart
yes, i was born to take care of you
every single day...

I was born to love you
with every single beat of my heart
yes, i was born to take care of you
every single day of my life

You are the one for me
i am the man for you
you were made for me
you're my ecstasy
if i was give every opportunity
i'd kill for your love

So take a chance with me
let me romance with you
i'm caught in a dream
and my dream's come true
it's so hard to believe
this is happening to me
an amazing feeling
comin' through -

I was born to love you
with every single beat of my heart
yes, i was born to take care of you
every single day of my life

I wanna love you
i love every little thing about you
i wanna love you, love you, love you
born - to love you
born - to love you
yes i was born to love you
born - to love you
born - to love you
every single day - of my life

An amazing feeling
comin' through

I was born to love you
with every single beat of my heart
yes, i was born to take care of you
every single day of my life
Yes i was born to love you

every single day of my life
Go, i love you babe
yes, i was born to love you
i wanna love you, love you, love you
i wanna love you
i get so lonely, lonely, lonely, lonely
yeah, i want to love you
yeah, give it to me
