

# Shed a Light (Tocadisco Remix)

Robin Schulz, David Guetta & Cheat Codes

Why are you keeping me at a distance?  
All that I'm asking for is forgiveness  
Are you even listening?  
Am I talking to myself again?  
I keep on staring up at the ceiling  
Waiting for you to give me some kind of reason  
Are you even listening?  
Am I talking to myself again? And I know you don't owe me your love  
And I know that you don't owe me nothing at all  
Ain't no way I'm giving up on you  
Don't leave me here in the dark when it's hard to see  
Show me your heart, shed a light on me  
If you love me, say so, If you love me, say so  
You know I can't live without you, I'm on my knees  
Where are you now? Shed a light on me  
If you love me, say so, If you love me, say so Why when I call, you never answer?  
I'll try to talk, you keep on dancing  
I can feel you on my skin, but am I only dancing with the wind? And I know you don't owe me  
your love  
And I know that you don't owe me nothing at all  
Ain't no way I'm giving up on you Don't leave me here in the dark when it's hard to see  
Show me your heart, shed a light on me  
If you love me, say so, If you love me, say so  
If you love me, say something  
You know I can't live without you, I'm on my knees  
Where are you now? Shed a light on me  
If you love me, say so, If you love me, say so  
Shed a light, shed a light on me  
Shed a light, shed a light on me  
Don't leave me here in the dark when it's hard to see  
Show me your heart, shed a light on me  
If you love me, say so, If you love me, say so
