Roses (feat. ROZES)

The Chainsmokers

Take it slow, but it's not typical
He already knows that my love is fire
His heart was a stone, but then his hands roam
I turned him to gold and it took him higherOh, I'll be your daydream, I'll wear your favorite things

We could be beautiful

Get drunk on the good life, I'll take you to paradise Say you'll never let me goDeep in my bones, I can feel you

Take me back to a time only we knew

Hideaway

We could waste the night with an old film Smoke a little weed on the couch in the back room

Hideaway

Say you'll never let me go Say you'll never let me go

> Ah, ah, ah Ah, ah, ah

Ah, ah, ah

Say you'll never let me go

Say you'll never let me go

Say you'll never let me go

Say you'll never let me goDeep in my bones, I can feel you

Take me back to a time only we knew

Hideaway

We could waste the night with an old film Smoke a little weed on the couch in the back room

Hideaway

Say you'll never let me go

Say you'll never let me go

Ah, ah, ah

Ah, ah, ah

Ah, ah, ah

Say you'll never let me go

Say you'll never let me go

Say you'll never let me go
