Mardy Bum

Mahalia

Well, now then Mardy Bum I've seen your frown And it's like looking down the barrel of a gun And it goes off And out come all these words Oh there's a very pleasant side to you A side I much preferIt's one that laughs and jokes around Remember cuddles in the kitchen Yeah, to get things off the ground And it was up, up and away Oh, but it's right hard to remember That on a day like today when you're all argumentative And you've got that face on Well, now then Mardy Bum Oh I'm in trouble again, aren't I? I thought as much 'Cause you turned over there Pulling that silent disappointment face The one that I can't bearWell, can't we just laugh and joke around Remember cuddles in the kitchen Yeah, to get things off the ground And it was up, up and away Oh, but it's right hard to remember That on a day like today when you're all argumentative And you've got that face on Yeah I'm sorry I was late But I missed the train And then the traffic was a state And I can't be arsed to carry on in this debate That reoccurs, oh when you say I don't care

So laugh and joke around
Remember cuddles in the kitchen
Yeah, to get things off the ground
And it was up, up and away
Oh, but it's right hard to remember
That on a day like today when you're all argumentative
And you've got that face on

But of course I do, yeah I clearly do!
