

Used to Love You

Gwen Stefani

Yeah, boy
Never thought this would happen
I let it sink in, you're gone
I don't know, know what I'm feeling
I must be dreaming, you're gone Suitcase, band-aids
Pulling back out the driveway
You go, I'll stay
You can keep all the memories
I thought I was the best thing that ever happened to you
I thought you loved me the most
I don't know why I cry
But I think it's cause I remembered for the first time
Since I hated you
That I used to love you
I don't know why I cry
But I think it's cause I remembered for the first time
Since I hated you
That I used to love you Oh, oh, oh, oh
I used to love you
Oh, oh, oh, oh
I used to love you Are you gone?
There were no boundaries
What, you just pushed me too far
I guess nobody taught you
Nobody taught you how to love
Suitcase, band-aids
Pulling back out the driveway
You go, I'll stay
You can keep all the memories
I thought I was the best thing that ever happened to you
I thought you loved me the most I don't know why I cry
But I think it's cause I remembered for the first time
Since I hated you
That I used to love you
I don't know why I cry
But I think it's cause I remembered for the first time
Since I hated you
That I used to love you Oh, oh, oh, oh
I used to love you
Oh, oh, oh, oh
I used to love you You know I was the best thing that ever happened to you
I thought you loved me more, oh

You know I was the best thing that ever happened to you
Now look at what you lost, oh I don't know why I cry
But I think it's cause I remembered for the first time
 Since I hated you
 That I used to love you
 I don't know why I cry
But I think it's cause I remembered for the first time
 Since I hated you
 That I used to love you Oh, oh, oh, oh
 I used to love you
 Oh, oh, oh, oh
I used to love you I don't know why I cry
 I don't, I don't, I don't
I don't know why I used to love you
 I don't, I don't, I don't
 I don't know why I cry
 I don't, I don't, I don't
I don't know why I used to love you
 I don't, I don't, I don't
