## Yuck

I'm so tired  
I fall asleep when I speak to you  
Tonight Close my mind  
In my dreams I am known by you  
Alright We've been dreaming differently  
I said baby that's what you mean to me Georgia  
What's a girl to do?  
Georgia  
Still in love with you  
Love and fear  
They should not have been resting here  
This year Feel alright  
When we both go our separate ways  
Hold tight We've been dreaming differently  
I said baby that's what you mean to me Georgia  
What's a girl to do?  
Georgia  
Still in love with you  
Georgia  
What you gonna say?  
Wasting all this time away  
Georgia  
What you gonna say?  
I've gotta hold myself  
Wish you well, may all your dreams come true
