

Like To Get To Know You Well

Howard Jones

Like to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one
We can be one together Like to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one
We can be one together Together we can cast away the fear
Together we can wipe away the tear
Together we can strip down the barriers
And be one
Don't wanna talk about the weather
Don't wanna talk about the news
Just wanna get to the real you inside Like to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one
We can be one together Don't you think now is the time
We should be feelin'
Just wanna simply say
Won't let you slip away People wanna talk about the future
Don't wanna linger on the past
Just wanna reach the real you inside
Forget cold glances and rejections
Leave the things that separate
Build on a trust that we can stand on
Like to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one
We can be one together Finding all are insecure
Opening the same door
Leaving out a stubborn pride
Seeing from the other side Like to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one
We can be one together Like to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one

We can be one together Like to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one

We can be one together Like to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one

We can be one together Like to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one
We can be one together
