

You Got Me Dizzy

Steve Miller Band

Abnder-Reed Listen to me, baby, what I said is right
I'll leave home in the mornin', baby
But I can't stay out all night. 'Cause you got me dizzy
Yeah, you got me dizzy
Yeah, you got me dizzy
And I can't even see my way. Let me tell you, baby
What I say is true
I ain't never, never loved nobody
In the way that I love you.
'Cause, you got me dizzy
Yeah, you got me dizzy
Yeah, you got me dizzy
And I can't even see my way. Wait a minute, baby
Don't you bip or bop
You done made me love you, baby
And I swear I just can't stop.
'Cause you got me dizzy
You got me dizzy
Yeah, you got me dizzy
And I can't even see my way
Yeah, you got me dizzy
And I can't even see my way
Yeah, you got me dizzy
And I can't even see my way.
