

Stay

Florida Georgia Line

I'd sell my soul just to see your face
And I'd break my bones just to heal your pain
And in these times I need a saving grace but time is running out and I'm starting to lose my faith
But if I told you I loved you would it make you wanna stay
I'm sorry for the way I hurt you and makin' you walk away
(I shoulda took the time to tell you)
And if I wrote you a love song and sang it to you everyday
Would it ever be enough to make you wanna come back home and stay
(I can't go another day without you)
Would it make you, make you wanna stay
(Girl you gotta know I love you)
My heart's on my sleeve but it's turning black
(I guess I know what it feels like to be alone)
Without your touch, I'm not gonna last
(I know you know that I need you just to carry on)
It feels like my walls are caving in (You always wanted it more, I left you hangin' on)
And I'll do anything to have you here again
But if I told you I loved you would it make you wanna stay
I'm sorry for the way I hurt you and making you walk away
(I shoulda took the time to tell you) And if I wrote you a love song and sang it to you everyday
Would it ever be enough to make you wanna come back home and stay
(I can't go another day without you) Yeeeah the days are cold, the nights are long
And I can't stand to be alone
Please know this is not your fault And allll I waannt
Is to tell you I love you and make you wanna stay
There's gotta be a way
'cause going on without you is killing me everydaayyy
And if I wrote you a love song and sang it to you everyday
Would it ever be enough to make you wanna come back home and stay
(I can't go another day without you)
Would it make you, make you wanna staayyy
(Girl you gotta know I love you)
Would it make you, make you wanna staayy
(I can't go another day without you)
Would it make you, make you wanna staayyyy
