

Alone with You

Jake Owen

I don't see you laugh, you don't call me back
But you kiss me when you're drunk
I don't know your friends, don't know where you've been
Why are you the one I want?
Don't put your lips up to my mouth and tell me you can't stay
Don't slip your hand under my shirt and tell me it's okay
Don't say it doesn't matter 'cause it's
gonna matter to me
I can't be alone with you
You've got me out on the edge every time you call
And I know it would kill me if I fall
I can't be alone with you
Please don't chain that door, I can't win this war
Your body's like a pill I shouldn't take
Don't put your lips up to my mouth and tell me you can't stay
Don't slip your hand under my shirt and tell me it's okay
Don't say it doesn't matter 'cause it's
gonna matter to me
I can't be alone with you
You've got me out on the edge every time you call
And I know it would kill me if I fall
I can't be alone with you
Don't put your lips up to my mouth and tell me you can't stay
Don't slip your hand under my shirt and tell me it's okay
Don't say you love me
'cause you know you don't love me and
leave I can't be alone with you
You've got me out on the edge every time you call
And I know it would kill me if I fall
I can't be alone with you
I don't see you laugh, you don't call me back
But you kiss me when you're drunk
