

# Legends

## Juice WRLD

[Intro]

I usually don't speak on shit like this, but  
Ain't nobody else saying shit  
Daytrip took it to ten [Chorus]  
I usually have an answer to the question  
But this time I'm gon' be quiet this time (this time)  
Ain't nothing like the feeling of uncertainty, the eeriness of silence  
This time, it was so unexpected  
Last time, it was the drugs he was lacing  
All legends fall in the making  
Sorry truth, dying young, demon youth

[Verse 1]

What's the 27 Clu-u-u-ub?  
We ain't making it past 21  
I been going through paranoia  
So I always gotta keep a gun  
Damn, that's the world we live in now  
Yeah, hold on, just hear me out  
They tell me I'ma be a legend, I don't want that title now  
'Cause all the legends seem to die out  
What the fuck is this 'bout? [Interlude]  
I'm tryna make it out  
I'm tryna change the world  
I'm tryna take her out  
I'm tryna take the girl  
More importantly, I'm tryna change the world  
Maybe flex with some diamonds and pearls, yeah

[Chorus]

I usually have an answer to the question  
But this time I'm gon' be quiet this time (this time)  
Ain't nothing like the feeling of uncertainty, the eeriness of silence  
This time, it was so unexpected  
Last time, it was the drugs he was lacing  
All legends fall in the making  
Sorry truth, dying young, demon youth [Verse 2]  
My mind is foggy, I'm so confused  
We keep on losing our legends to  
The cruel cold world, what is it coming to?  
The end of the world, is it coming soon? [Bridge]  
Yeah, ooh, ooh, oh  
That hit's for you [Chorus]  
I usually have an answer to the question

But this time I'm gon' be quiet this time (this time)  
Ain't nothing like the feeling of uncertainty, the eeriness of silence  
This time, it was so unexpected  
Last time, it was the drugs he was lacing  
All legends fall in the making  
Sorry truth, dying young, demon youth
