

Daaam!

Daaam! Daaam!Alkaholiks got the freaks that'll make you say, "Daaam!"
Alkaholiks got the freestyle that'll make you say, "Daaam!"
Alkaholiks got the rhymes that'll make you say, "Daaam!"
Everytime I make a jam, make you wanna say, "Daaam!"E-Swift, test the rocket launcher, let's
blow up the spot
Show 'em what we got for the ninety-flow shot
I'm the brown bomber droppin' verbal scuds
I write rhymes while my momma peel the skin off the spuds
This ain't baseball, naw, the Liks won't slump
So make room for the crew with beats the jumpYo, I'm the baddest man with a hit since Willie
Mays
I'm playin' for the A's, O.G. was right 'cause rhyme pays
I walk through a rainstorm, I didn't even get wet
I was bailing through Hell, I didn't even bust a sweat
So you must have a locomotive, I mean a crazy reason
To wanna step up, it's sucker punk season
Bring it on young one, so you can get done
I got mo' styles than the miles to the sun
Ninety-three million, five thousand flows
And here's one more for the hoesAlkaholiks got the freestyle that'll make you say, "Daaam!"
The Alkaholiks got the freaks that'll make you say, "Daaam!"

Geyeah, Alkaholiks for ninety-fo'
Makin' more dutch than Ross Perot
Check it out, yeah
Like that, Xzibit all in your grill
Hah, that's that nigga Xzibit, yeah
'Cause in ninety-four it's all about the flows
The hoes and the forty-o's, nigga!Kick your, dopest rhyme I'll break it up like 3rd Bass
I'm from the crew that sets it off by sprayin' beer in your face
So the ninety-four to them for my niggaz that remember
Means I'm steppin' to the mic with lyrics colder than December
The liquidator with the hardcore demanor's
Bustin' out the perpetrators, I see through 'em like a Zima
So I'm never caught between a hard place and a rock
'Cause I kill rhyme bandits bare handed like Mr. SpockI told chief not to start no beef
He tried to shoot me with his gun, I caught the bullet with my teeth

'Cause I'm stronger than the bull that's on the Schlitz Malt Liquor
 Hittin' up your cities with the Alkaholik sticker
 'Cause I feel like bustin' loose
 It's the wicked pain inflictor with the Mickey's deuce deuce Droppin' rhymes like a boulder on
 the twenty-one and older
 That's what your momma with my picture tattooed on her shoulder
 So rap artists, "Get ready to rumble!"
 'Cause I got lyrics up my sleeve that slam harder than Mutumbo
 I heard your demo tape that shit was faker than a scam
 While I be droppin' shit that make you say The Alkaholiks got the beats that'll make you say,
 "Daaam!"
 The Alkaholiks got the freaks that'll make you say, "Daaam!"

 The Alkaholiks got the hoes that'll make you say, "Daaam!" I've been told that my style is so
 cold it make your nose run and J
 I make the ladies say, "Make money, money!"
 I used to have a curl but I cut my shit real low
 'Cause every weekend I had a spin on the pillow
 Watts, Willabrooke, even shook, when I took
 A fresh-ass hook out my notebook Dan na dah, dan na dah, I love sports
 I even watch soccer and the girls on the tennis courts
 You try to tackle me, you couldn't make me fall
 'Cause I been movin' ahead since the day I learned to crawl
 Y'all, aww shit, let me make a wish
 I wish all the punk MC's turn to fish So I could just hook 'em, take 'em home and cook 'em
 That's how I floss, yo pass the hot sauce
 When I walk down the streets I leave my footprints in the concrete
 'Cause I'm fat, meaning, I'm so complete
 Like a freak on an elevator, I'ma fuck you up
 It's the Ro with the inebiriated flow
 I hate to boast but I'm the host with most
 And I'm ghost, here's a toast to my people's from coast to coast It's like that
 It's like this uh, it's like that
 It's like this uh, it's like that
 Well it's like this uh, it's like that
