

# Bring Me Down, Pt.2

## Saigon

You've ever get the feeling  
No matter what they do no matter what they say  
You know you'll make it someday You know the feeling when your back is up against the wall  
People say they love you but you ain't convinced at all  
Tell them they full of shittin they'll tell ya you insecure  
Callin ya immature does that make sense to ya'll?  
You ever feel like it's you against the whole world?  
Like everybody is scheming even your only girl  
Your home boys seem to be counting your money  
Tell em you ain't got it n he lookin at you funny  
I'm feeling like I probably need ta either leave the game alone  
Or either be the cheater bang the chrome n get his hatin on How does the siagon story end how  
You know what they sayin for now  
They'll say I'm killer  
I feel I'm as high as I can be  
N ya'll ain't gon fly as high as me  
I can't be no realaaa  
Ya'll ain't gon bring me down I can't be no realaa  
Ya'll ain't gonna bring me down I'm too high but it's not from a drug  
It's not from a drink not from a night at the club  
It's not from abroad  
It's not from what I coped from the deala  
I would tell ya  
But if I tell ya  
Then I gotta kill ya  
I've been around a lil while but I'm kinda scared  
It's I'll like a vet that's still wet behind the ear  
Some niggas look hard  
But I don't feel a threat behind the steer  
I'm looking for vics  
N They could be volunteer  
How dare somebody jump out the window ta try n stop me  
I wait for niggas then shoot em like I was a paparazzi  
Manly's back system knockin the mazzarati  
I jump out the back n turn ya block into nagasaki  
I shouldn't have always make a issue with the pistol  
Just to prove ta kids he's official tissue to the gristle  
How does the siagon story end how  
You know what they sayin for now Just say I'm killer  
I feel I'm as high as I can be  
N ya'll ain't gon fly as high as me  
I can't be no realaaa

Ya'll ain't gon bring me down I can't be no realaa  
Ya'll ain't gonna bring me down I'm too high but it's not from a drug  
High on life, love  
I'm from above Just say I'm killer  
I feel I'm as high as I can be  
N ya'll ain't gon fly as high as me  
I can't be no realaaa  
Ya'll ain't gon bring me down I can't be no realaa  
Ya'll ain't gonna bring me down
