It's RedFoo with the base and beats

I whipped up, flipped up a tasty treat

So get up, lift up, move ya feet

This is how I roll, white, no lenses, big afro

I rock both freak so animal

And when I drop that beat make the crowd go hoeeee

And I love to dance

You just need a beat that'll shake ya pants

Shake ya pants yeah take a chance

And if ya can't move ya feet then wave ya hands

Wanna know a little something bout me?

I was born to rock the party

I was born to rock ya bodyI'm fresh, I'm slick, I'm la-di-da-di

I'm laid back, I'm feeling this

Tonight's the night I just wanna let it go

Tonight's the night I just wanna let it go

And you so fine I just had to play it cool

You blow my mind all the crazy things you do

I see that you wanna act a fool

So baby let's get ridiculous!

I'm laid back, I'm feeling this

Tonight's the night I just wanna let it go
