## **Once Bitten, Twice Shy**

## **Great White**

Well, the times are gettin' hard for you little girl I'm a-hummin' and a-strummin' all over God's world You can't remember when you got your last meal And you don't know just how a woman feelsYou didn't know what rock 'n' roll was Until you met my drummer on a gray tour bus I got there in the nick of time Before he got his hands across your state line, yeahNow it's the middle of the night on the open road The heater don't work and it's oh so cold You're lookin' tired, you're lookin' kinda beat The rhythm of the street sure knocks you off your feetYou didn't know how rock 'n' roll looked Until you caught your sister with the guys from the group Half-way home in the parking lot By the look in her eye, she was giving what she got said My my my, I'm once bitten twice shy, baby My my my, I'm once bitten twice shy, baby My my my, I'm once bitten twice shy, babyWoman you're a mess gonna die in your sleep There's blood on my amp and my Les Paul's beat Can't keep you home, you're messin' around My best friend told me, you're the best lick in townYou didn't know that rock 'n' roll burned So you bought a candle and you lived and you learned You got the rhythm, you got the speed Mama's little baby likes it short and sweet I saidI said, my my my, I'm once bitten twice shy, baby My my my, I'm once bitten twice shy, baby My my my, I'm once bitten twice shy, babyI didn't know you had a rock 'n' roll record Until I saw your picture on another guy's jacket You told me I was the only one But look at you now, it's dark and you're gone My my my, I'm once bitten twice shy, baby My my my, I'm once bitten twice shy, baby My my my, I'm once bitten twice shy, babyMy my my, I'm once bitten twice shy, I'm so shy
