

# Lips

## VAMPS

I taste sweet honey on my tongue

it turns me on,  
addiction starts

Those wet lips, Honey

I ??????

Can't let it stop,

I'm gonna starve

Just hold your tongue?

????????????????????...?

My way?

Don't hold me back?

And 'cause you are you,

I don't like it

I crave my freedom back

Give in? NO, no, no?

I'm gonna fight it

Yeah?

I feel sweet ecstasy take hold

Don't wake me up,

I'm in a dream

These laws, mine only

Go ??????

It's time to play,

so don't intude?

Just hold your tongue?

????????????????????...?

My way?

Don't hold me back?

And 'cause you are you,

I don't like it

I crave my freedom back

Give in? NO, no, no?

I'm gonna fight it

Yeah?

You?Disturbed me?

You? Disturbed me?

You?Disturbed me?

???????

???????

You?Disturbed me?

You? Disturbed me?

You?Disturbed me?

??????  
Get outta here?  
My way?  
Don't hold me back?  
And 'cause you are you,  
I don't like it  
I crave my freedom back  
Give in? NO, no, no?  
I'm gonna fight it  
My way?  
Don't hold me back?  
And 'cause you are you,  
I don't like it  
I crave my freedom back  
Give in? NO, no, no?  
I'm gonna fight it  
Yeah?
