

In Love with Love (SAW Remix)

Debbie Harry

In love with love, in love with a passionate heart
In love with love, in love even when we're apart
In love with love, in love with a passionate heart
In love with love, in love even when we're apart
I wondered the difference of how it could last
I heard the celebration of champagne in glass
No wonder, it's no wonder why I'm
In love with love, in love with a passionate heart
In love with love, in love with the form of the art
We love through the fighting of everyday life
Of glass that gets broken and cuts like a knife
I wonder and I wonder why I'm
In love with love, in love with a passionate heart
In love with love, then on with the delicate march
Heart of fire, house of fire (of fire)
Heart of fire, house of fire
Heart of fire, house of fire (of fire)
Heart of fire, house of fire
Heart of fire, house of fire (of fire)
Heart of fire, house of fire
Heart of fire, house of fire (of fire)
Heart of fire, house of fire
Heart of fire, house of fire (of fire)
Heart of fire, house of fire
In love with love, in love with a passionate heart
In love with love, on fire with a passionate heart
Ablaze with reflection, our hot house is set
Blazing with a flaming with a fire, it's so passionately racing
With a chaser, it's so hard to keep my wits about me
Yeah yeah yeah
Heart of fire, house of fire
Heart of fire, house of fire
Heart of fire, house of fire
Heart of fire, house of fire
Heart of fire, house of fire (of fire)
In love with a passionate heart (yeah yeah yeah)
