

# Breathing

## Lifehouse

I'm finding my way back to sanity  
Again  
Though I don't really know what I'm gonna do  
When I get there I take a breath and hold on tight  
Spin around one more time  
And gracefully fall back to the arms of grace  
Cause I am hanging on every word you're saying  
Even if you don't want to speak tonight That's alright, alright with me  
Cause I want nothing more than  
To sit outside heavens door  
And listen to you breathing  
It's where I want to be  
Where I want to be  
I'm looking past the shadows in my mind  
Into the truth and I'm trying to identify The voices in my head  
God, which one's you?  
Let me feel one more time  
What it feels like to feel alone Break these calluses off of me one more time  
Cause I am hanging on every word you're saying  
Even if you don't want to speak tonight  
That's alright, alright with me Cause I want nothing more than to sit outside your door  
And listen to you breathing  
It's where I want to be, yeah  
I don't want nothing from you  
But you're tired of me waiting for the  
Scraps to fall off of your table to the ground  
La la la da da la la la  
Cause I just want to be here now  
Cause I am hanging on every word you're saying  
Even if you don't want to speak tonight  
That's alright, alright with me  
Cause I want nothing more than to sit outside heaven's door  
And listen to you breathing  
It's where I want to be  
Cause I am hanging on every word you're saying  
Even if you don't want to speak tonight  
That's alright, alright with me  
Cause I want nothing more than to sit outside heavens door  
And listen to you breathing  
It's where I want to be, yeah  
Where I want to be
