The Cooley High cold chief high post techniques

I drape off poetic landscapes and shapes

Illustrate the paper space off the pens that paint

Then design what have a National Geographic a magic

With tailor-made status and plus favored is automatic

We're not balling

We take it back to the days of yes y'all-in'

We holding onto what's golden

(PE Sample) \*On a stage I rage and I'm rollin'\*We're not balling, or shot calling

We take it back to the days of yes y'all-in'

We entertain for a mutual game from close range

Steady aim, drum at your head to hit the brain

I'm labor ready, Rhodes Scholar for the dollar

Work for mines pay me by the hourHip... Hop

Yo...

Well, it's the verbal Herman Munster

The word enhancer, sick of phony mobsters controllin' the dance floor

I been in dark places, catch you when you stark naked

Your heart races as we pump you for your chart spaces

The tart taste is me bringing these hot styles through

Some of you bum a few cheers from shock value
