

# Let It Out

## Hoobastank

This is ours  
We made it with our everything  
Something real  
As real as it could ever be  
You gave me all of yourself  
I gave you all of me  
Now set it free from yourself for everyone to see I'm not afraid to let it out  
I'm gonna show you how I feel  
I'm not afraid to let it out  
Who cares if you don't like it  
If you don't like it  
Go ahead  
You know just what you wanna do  
Don't deny  
You feel it 'cause I feel it too  
Take a look all around  
You feel it in the air  
From the sky to the ground  
I feel it everywhere I'm not afraid to let it out  
I'm gonna show you how I feel  
I'm not afraid to let it out  
Who cares if you don't like it I'm not afraid to let it out  
I'm gonna show you how I feel  
I'm not afraid to let it out  
To let it out  
Who cares if you don't like it  
If you don't like it  
If you don't like it  
Who cares if you don't like it  
Who cares if you don't like it  
Who cares if you don't like it  
Who cares if you don't like it This is ours  
We made it with our everything  
Something real  
As real as it could ever be  
You gave me all of yourself  
I gave you all of me  
Now set it free from yourself for everyone to see I'm not afraid to let it out  
I'm gonna show you how I feel  
I'm not afraid to let it out  
Who cares if you don't like it I'm not afraid to let it out  
I'm gonna show you how I feel

I'm not afraid to let it out  
To let it out  
To let it out  
To let it out  
Who cares if you don't like it  
If you don't like it  
If you don't like it
