

# In My Veins (feat. Erin McCarley)

Andrew Belle

Nothin goes as planned.  
Everything will break.  
People say goodbye.  
In their own special way.  
All that you rely on  
And all that you can fake  
Will leave you in the morning  
But find you in the day Oh you're in my veins  
And I cannot get you out  
Oh you're all I taste  
At night inside of my mouth  
Oh you run away  
Cause I am not what you found  
Oh you're in my veins  
And I cannot get you out.  
Everything will change.  
Nothin stays the same.  
And nobody here's perfect.  
Oh but everyones to blame  
All that you rely on  
And all that you can save  
Will leave you in the morning  
And find you in the day Oh you're in my veins And I cannot get you out  
Oh you're all I taste  
At night inside of my mouth  
Oh you run away  
Cause I am not what you found  
Oh you're in my veins  
And I cannot get you out.  
No I cannot get you out.  
No I cannot get you. Oh no I cannot get you out.  
No I cannot get you.  
Everything is dark.  
It's more than you can take.  
But you catch a glimpse of sun light. Shinin shinin, down on your face.  
your face, oh your face  
Oh you're in my veins  
And I cannot get you out  
Oh you're all I taste  
At night inside of my mouth  
Oh you run away  
Cause I am not what you found

Oh you're in my veins  
And I cannot get you out  
No I cannot get you out  
No I cannot get you out  
No I cannot get you
