You're Makin' Me High

Toni Braxton

I'll always think of you Inside of my private thoughts I can imagine you Touching my private parts With just the thought of you I can't help but touch myself That's why I want you so badJust one night of Moonlight, with you there beside me All night, doin' it again and again You know, I want you so bad Baby, baby, baby, baby Ohh, I get so high When I'm around you, baby I can touch the sky You make my temperature rise Baby, you're makin' me high Baby, baby, baby, babyCan't get my mind off you I think I might be obsessed The very thought of you Makes me want to get undressed I wanna be with you Inspite of what my heart says I guess I want you too badAll I want is Moonlights, with you there inside me All night, doin' it again and again You know, I want you so bad Baby, baby, baby, baby Ohh, I get so high When I'm around you, baby I can touch the sky You make my temperature rise Boy, you're makin' me high Baby, baby, baby, babyI want to feel your heart and soul inside of me Let's make a deal you roll, I lick And we can go flying into ecstasy Oh, darlin' you and me Light my fire, blow my flame Take me, take me, take me away Yeah, yeahWell all I only want is Moonlights, with you there inside me All night, doin' it again and again Baby, I want you so bad

Baby, baby, baby
I get so high
When I'm around you, baby
I can touch the sky
You make my temperature rise
You're makin' me high
Baby, baby, baby
I get so high
