

# Grace Wins

Matthew West

In my weakest moment i see you  
Shaking your head in disgrace  
I can read the disappointment  
Written all over your face Here come those wispers in my ear  
Saying who do you think you are  
Looks like you are on your own from here  
Because grace can never reach that far But in the shadow of the shame  
Beat down by all the blame  
I hear you call my name  
Saying its not over  
But my heart starts to beat so loud  
Now drowning out the dout  
I'm down but i'm not out  
Theres a war between guilt and grace  
And there fighting for a sacred space  
But i'm living proof  
Grace wins every time No more lying down in deaths defeat  
Now i'm rising up in victory  
Singing Hallelujah  
Grace Wins every time Words cant describe the way it feels  
When mercy floods a thirsty soul  
A Broken side begins to heal  
And grace returns what guilt has stole But in the shadow of the shame  
Beat down by all the blame  
I hear you call my name  
Saying its not over  
But my heart starts to beat so loud  
Now drowning out the dout  
I'm down but i'm not out  
Theres a war between guilt and grace  
And there fighting for a sacred space  
But i'm living proof  
Grace wins every time No more lying down in deaths defeat  
Now i'm rising up in victory  
Singing Hallelujah  
Grace Wins every time For the Prodigal son  
Grace Wins  
For the Woman at the well  
Grace Wins  
For the blind men and the begger  
Grace Wins  
For always and forever

Grace Wins  
For the lost out on the street  
Grace Wins  
For the worst part of you and me  
Grace Wins  
For the thief on the cross  
Grace Wins  
For the world that is lost  
Theres a war between guilt and grace  
And there fighting for a sacred space  
But i'm living proof  
Grace wins every time  
No more lying down in deaths defeat  
Now i'm rising up in victory  
Singing Hallelujah  
Grace Wins every time  
Every time  
Yah i'm living proof  
Grace wins every time
