

# Skin

Sade

When I found out this love's undone  
I was like a gun, sure as it was over  
Felt like nothing good could come Sure as it's gonna play and play  
Like Michael back in the day I'm gonna peel you away Now as I begin to wash you off my skin  
I'm gonna peel you away  
'Cause you're not right within  
I love you so  
Sometimes love has to let go So this time don't think it's a lie  
I say goodbye Now as I begin to wash you off my skin  
I'm gonna peel you away  
'Cause you're not right within  
Now it's time to wash you off my skin Now as I begin, it couldn't be right  
'Cause you're not right within I say goodbye
