

# Happy Birthday Mr. President

## Marilyn Monroe

Happy birthday to you  
Happy birthday to you  
Happy birthday Mr President  
Happy birthday to you Thanks, Mr President  
For all the things you've done  
The battles that you've won  
The way you deal with U.S. Steel  
And our problems by the ton  
We thank you so much  
Everybody, happy birthday
