

Family Table

Zac Brown Band

It's just an old piece of wood
On top of four legs
It's got a few coffee stains
And a thousand marks from God knows when
Ain't too many things
That could stand the test of time
But this family table's held together
By lovin' never dies So won't you come on in?
Supper's almost done
Go ahead and call your friends
'Cause we got room for everyone
Let's make some memories, 'round this 9 foot pie
Pull up a chair and stay a while
At the family table
Family table
It's the corner stone
That held us all up
Through the best of times
And be that way when times got tough
We blew the candles out
In our walk through time
This family table's bound together
By lovin' never dies So won't you come on in?
Supper's almost done
Go ahead and call your friends
'Cause we got room for everyone
Let's make some memories, 'round this 9 foot pie
Pull up a chair, stay a while
Gather 'round, hand in hand
Close our eyes and bow our heads
Thank the Lord for everything He's done
And for everyone
At the family table So please come on in
When your work is done
Go 'head and wash your hands
And gather 'round with everyone
Makin' memories, 'round this 9 foot pie
No other place can ease your mind
Like a family table
Family table
Like a family table
Family table
