Still Alive (Paul van Dyk Mix Short Version)

Lisa Miskovsky

You have changed

I have changed

Just like you

Just like youFor how long

For how long

Must I wait

I know there's something wrong Your concrete heart isn't beating

And you tried to

Make it come aliveNo shadows

Just red lights

Now I'm here.to

You have changed

I have changed

Just like you

Just like youFor how long

For how long

Must I wait

I know there's something wrong Your concrete heart isn't beating

And you tried to

Make it come aliveNo shadows

Just red lights

Now I'm herePlease, come alive

You have changed

I have changed

Just like you

Just like youFor how long

For how long

Must I wait

I know there's something wrong Your concrete heart isn't beating

And you tried to

Make it come aliveNo shadows

Just red lights

Now I'm here.to rescue youOh I'm still alive

I'm still alive and

I can't apologise, noOh I'm still alive

I'm still alive and

I can't apologise, noSo silent

No violence

But inside my head

So loud and clearYou're screaming

You're screaming

Cover up with a smile I've learned to fearJust sunshine

And blue skies
Is this all we get, for living here?Come fire
Come fire
Let it burn and love come racing throughOh I'm still alive
I'm still alive and
I can't apologise, noOh I'm still alive
I'm still alive and
I can't apologise, noI've learn to lose
I've learn to win
Turn my face against the windI will move fast
I will move slow
Take me where I have to goOh I'm still alive

I'm still alive and
I can't apologise, no(I'm still alive)Oh I'm still alive
I'm still alive and
I can't apologise, noOh I'm still alive
I'm still alive...
