

# Happily

## One Direction

You don't understand, you don't understand  
What you do to me when you hold his hand  
We were meant to be but a twist of fate  
Made it so we had to walk away 'Cause we're on fire, we are on fire  
We're on fire now  
Yeah, we're on fire, we are on fire  
We're on fire now 1, 2, 3 I don't care what people say when we're together  
You know I wanna be the one who holds you when you sleep  
I just want it to be you and I forever  
I know you wanna leave so c'mon baby be with me so happily  
It's four AM and I know that you're with him  
I wonder if he knows that I touched your skin  
And if he feels my traces in your hair  
Sorry, love, but I don't really care 'Cause we're on fire, we are on fire  
We're on fire now  
Yeah, we're on fire, we are on fire  
We're on fire now 1, 2, 3 I don't care what people say when we're together  
You know I wanna be the one who holds you when you sleep  
I just want it to be you and I forever  
I know you wanna leave so c'mon baby be with me so happily So happily 1, 2, 3, 4  
Oh, oh, oh, oh-oh  
Oh, oh, oh, oh  
We're on fire now  
Oh, oh, oh, oh-oh  
Oh, oh, oh, oh  
We're on fire now (We're on fire)  
Oh, oh, oh, oh-oh  
Oh, oh, oh, oh  
We're on fire now I don't care what people say when we're together  
You know I wanna be the one who holds you when you sleep  
I just want it to be you and I forever  
I know you wanna leave so c'mon baby be with me so happily I don't care what people say when  
we're together  
You know I wanna be the one who holds you when you sleep  
I just want it to be you and I forever  
I know you wanna leave so c'mon baby be with me so happily
