

Faith

Ada

I cry for the love in your eyes,
and I try to let you be free
If you're blue,
don't let it worry you,
we'll make it through
and if you don't believe me
Faith will come humbly down,
fear will come tumbling down
faith will come humbly down,
fear will come tumbling down
Cynics may fill the books,
critics may give you looks,
but i'll stand by you 'til you die
and i'll be wise in the afterlife
Faith will come humbly down
fear will come tumbling down
faith will come humbly down
fear will come tumbling down
