

# Sunset Jesus

Avicii

Try'na set myself up for the win  
So people got a dream  
That's so much bigger  
Than the town they're in  
So give me love, give me love  
Give me peace,  
Give me peace of mind  
I know that there's an ought  
To a start  
And I need a little help with mineCalifornia  
Don't let me down  
Seems so golden  
But there's struggle all around  
Sunset Jesus  
Came to me  
He once was a waiter  
Now he's a savior  
Making money on the streetMy dreams are made of gold  
My heart's been broken  
And I'm down along the road  
But I knowMy dreams keeps fading  
Till I get old  
Breathe for a minute  
Breathe for a minuteI'll be okay  
Staring at the billboard from the bus  
Looking at the faces  
Thinking "That could be anyone of us"  
So give me hope, give me hope  
Give me hope on this lonely ride  
'Cause I know one day  
I'll be the one in the skyCalifornia  
Don't let me down  
Seems so golden  
But there's struggle all around  
Sunset Jesus  
Came to me  
He once was awaiter  
Now he's a savior  
Making money on the streetMy dreams are made of gold  
My heart's been broken  
And I'm down along the road  
But I know

My dreams keeps fading  
Till I get old  
Breathe for a minute  
Breathe for a minute  
(Breathe for a minute) x16  
Sunset JesusMy dreams are made of gold  
My heart's been broken  
And I'm down along the road  
But I know  
My dreams keeps fading  
Till I get old  
Breathe for a minute  
Breathe for a minute  
I'll be okayMy dreams are made of gold  
My heart's been broken  
And I'm down along the road  
But I know  
My dreams keeps fading  
Till I get old  
Breathe for a minute  
Breathe for a minute  
I'll be okay
