

Ladies in the '90s

Lauren Alaina

I was born in '94
Daddy drove a beat up Ford
Mama made it run on FM music
The backseat's where I started singing
All the songs that got me dreaming
I'd scream "turn it up," then I'd lose it
I was raised on radio waves
Where the ladies dominated
Sometimes I close my eyes and just replay it
I just wanna feel like ladies in the 90s
Turn the dial and find me some Strawberry Wine
So I can sing all night long, acting like I'm Britney
Come on baby, hit me just one more time, hey
Man I feel like a woman
I can feel you breathe when you say my name
Hey I don't want no scrubs
Need a cowboy to take me away
I wanna feel like ladies in the 90s
Ladies in the 90s, hey hey hey
Diva in the living room
Mama's heels on after school
Learning all my moves on MTV
They weren't afraid to make a statement
That's what I call entertainment
All those women paved the way for me
Yeah, southern twang
Teaser bangs
I was matching all their lipstick
Close my eyes all the time
I wish I could relive it
I just wanna feel like ladies in the 90s
Turn the dial and find me some Strawberry Wine
So I can sing all night long, acting like I'm Britney
Come on baby, hit me just one more time
Hey, man I feel like a woman
I can feel you breathe when you say my name
Hey I don't want no scrubs
Need a cowboy to take me away
I wanna feel like ladies in the 90s
Ladies in the 90s, hey hey hey
Wearing leopard leotards
Signing about broken hearts
Moving on in leather pants so shiny
Females were unstoppable
Can't say that's impossible
My heart will always be stuck in the 90s
I just wanna feel like ladies in the 90s
Turn the dial and find me some Strawberry Wine

So I can sing all night long, acting like I'm Britney
Come on baby, hit me just one more time, hey
Here's your one chance, Fancy
Genie in a bottle devote
I'll tell you what I want, what I really really want
You oughta know
I wanna feel like ladies in the 90s
Ladies in the 90s, hey hey hey I wanna feel like ladies in the 90s
Ladies in the 90s, hey hey hey
