As Time Goes By (feat. Queen Latifah)

Rod Stewart

This day and age we're living in Gives cause for apprehension With speed and new invention And things like third dimension Yet we get a trifle weary With Mr. Einstein's theory So we must get down to earth at times Relax relieve the tension And no matter what the progress Or what may yet be proved The simple facts of life are such They cannot be removed You must remember this A kiss is still a kiss, A sigh is just a sigh The fundamental things apply As time goes by And when two lovers woo They still say, "I love you" On that you can rely No matter what the future brings As time goes by Moonlight and love songs Never out of date Hearts full of passion Jealousy and hate Woman needs man And man must have his mate That no one can deny Well, it's still the same old story A fight for love and glory A case of do or die The world will always welcome lovers As time goes by Times don't change, right? Sing it to me, Latifah Oh, I'm singing it to you right now Cause we're talking about Moonlight and love songs Never out of date Hearts full of passion Jealousy and hate

Woman needs man
And man must have his mate
That no one can deny
Well, it's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by
As time goes by
Time goes by
